Hi Dave – Thanks for hosting me in Ventura tomorrow. Here are some items I'd like to discuss, and I'm sure you have some too:

- EPA staffing and end-of-year priorities update
- JDs since 8/28
- CA High Speed Rail support
- Gregory Canyon
- Rosemont
- Asarco Ray Mine
- Vigneto (fna Whetstone)
- Letters to ASA Darcy re: Maricopa Co compliance patterns (latest, to EPA, attached)

I'm scheduled to land at 8:00 am at LAX and will update you as I hit the highway. My cell is 415.735.8620.
